Schrader EZ-sensor® Bundle Pack Promo

Promotion Terms and Conditions

This form must be completed and submitted along with the electronic trade-in TPMS tool to Bartec USA in order to qualify for the Schrader Tool Bundle Pack promotion

- EZ-sensor® bundle pack proof of purchase must accompany this form to qualify.
- Customer must send back their electronic TPMS tool to Bartec USA to qualify for an additional 3 years of tool software. The Schrader Tech300PROC must be registered to qualify for the promotion at www.bartecusa.com.
- This promotion is specific to the Schrader Tech300PROC only.
- EZ-sensor® bundle pack must be purchased from an Authorized Schrader Distributor (while supplies last).
- Bartec USA is not responsible for lost shipment when you send your electronic trade-in TPMS tool to Bartec USA.
- Customer is responsible for all shipping costs and duties incurred when shipping your electronic trade-in TPMS tool to Bartec.
- Customer is responsible for providing the tracking/delivery confirmation when sending your electronic trade-in TPMS tool to Bartec.
- Bartec USA will directly apply the extra 3 years to the tool account listed on this form.
- This Schrader promotion cannot be combined with other Bartec USA promotions.
- Bartec USA has the right to deny a promo form if the terms & conditions are not met.
- Allow 4 weeks for processing after receipt of the electronic trade-in TPMS tool, proof of purchase and promo form.
- Promo form, your electronic trade-in TPMS tool, and the proof of purchase must be returned to Bartec within 30 days of purchase.
- Schrader is neither a party to the promotion nor liable in any way.

For any questions regarding this promotion, please contact your Schrader representative or call Schrader customer service at 1.800.288.1804.

For any questions regarding how to complete a tool software update or for questions on the Bartec Tech300PROC tool, please contact Bartec technical support 866.407.8767.

**EZ-sensor® Bundle Pack and promotion available while supplies last.
