WHY SCHRADER?
Schrader is the leading global manufacturer of tire pressure monitoring systems (TPMS) for automotive, heavy-duty and off-road vehicles. Schrader is a pioneer in TPMS, a vehicle safety feature that is now standard on all cars and light trucks sold in the U.S.

GET EQUIPPED

33500 Rubber Snap-In
33700 Adjustable Angle Aluminum Clamp-In
33900 90° Aluminum Clamp-In

STOCK EZ-SENSOR®:
• Covers 314.9 MHz and 433 MHz applications
• 3 unique mechanical packages for specialty rim fitment
• Adaptable technology supports additional coverage
• Meets OE quality specifications and replicates diverse OE functionality
• 98% vehicle coverage
• Compatible with most market-leading TPMS tools

SERVICE PACKS
Service pack components are intended for one time use only. Schrader recommends replacing these critical sealing components at each tire change using a genuine OEM validated Schrader TPMS service pack.

33500 Rubber Snap-In
33700 Adjustable Angle Aluminum Clamp-In
33900 90° Aluminum Clamp-In

Schrader TPMS Solutions

TPMS PROGRAMMING TOOLS
• Optimizes inventory levels
• Eliminates potential lost sales
• Reduces overall cost of service
• Improves inventory returns

GET EQUIPPED

20140 T-10 Torque Tool
Pre-set torque tool for installing replacement snap-in valves.

20141 Valve Core Torque Tool
Tighten valve core to OE specifications.

2014S T-20 Torque Tool
Pre-set torque tool for installing aluminum valve stems to the sensor body.

OE MANUFACTURER
• First to market with vital coverage
• Defect allotment of 4 parts per million
• Extensive testing to guarantee quality

GLOBAL MARKET-LEADER
• Over 250 dedicated engineers
• Over 750 million sensors sold
• Frost & Sullivan award winning

TPMS PARTNER OF CHOICE
• OE certified sales
• Training and marketing support
• Partners with leading TPMS tool manufacturers

More than just a supplier, we are a TPMS partner!

We are dedicated to your success in TPMS. Schrader offers marketing programs, training, online educational resources, technical support and products that can help your business to profit from TPMS. With this step-by-step resource, a reliable, profit-building TPMS program is only three steps away!
